Our complete January 2012 FLYING SCOT® Family Package:

FLYING SCOT® with your choice of standard hull, deck, and trim colors. Positive buoyancy: foam and balsa plus reserve buoyancy bag in bow. Standing rigging: custom anodized spars, stainless steel shrouds and forestay, chainplates built integral with the hull. Running rigging: a 3:1 Harken mainsheet system with a Ronstan swivel base and cleat, a Harken jib sheeting system with adjustable jib cars and cammatic cleats, a 2:1 Harken adjustable outhaul, a 5:1 Harken boom vang, halyard winch, stainless steel main and jib halyards with Wichard shackles, a 16:1 centerboard hoist, and the standard permanently installed spinnaker hardware. Convenience items: a mast hinge, 3 storage bins under the deck, a boom crutch, a safety line attached to transom mooring rings, a single port on the left transom, a spare parts kit, a bailing scoop, a tiller tender, a paddle holder and a bow line.

Standard Color Choices: Hull & Deck (NPG ISO Gelcoat): white, light gray, special colors are at extra cost.
 Waterline (two-part paint): red, medium blue, dark blue, green, dark green, white, and black.
 Cove Striping (vinyl tape): red, medium blue, dark blue, green, dark green, white, and black.

SAILS - USA made cruising weight jib and main sails with battens and sail bags. The main and jib are white, the insignia and numerals may be black, red, blue, or green.

TRAILER - Our galvanized trailer is designed for the **FLYING SCOT®**. Standard galvanized wheels, galvanized axle, and special "easy-launch" features of neoprene rollers, and a walkway. A tie-down rig (boat strap and mast carriers) is provided.

Every boat includes payments to the Flying Scot® Sailing Association for certification of the hull and sails.
 These one time fees help support the FSSA. We encourage you to become a member of FSSA.
 (Call 800-445-8629 for more information)
